Treasures of the Far North

Dune Restoration Trust of New Zealand, National Conference 2012 February 14-17th, Taipa, Northland

Northland Regional Council, Taipa Beach Improvement Society and Taipa Area School are hosting the 2012 national Dunes Trust conference in the Far North from February 14th – 17th, 2012. The conference will be based at the Taipa Area School cultural centre, right by the beach at Taipa.

View the successful work of Far North CoastCare groups and take a trip up to Cape Reinga along Te Oneroa a Tohe (90 Mile Beach). Participate in your choice of workshops, including pingao weaving and identifying and killing coastal weeds. We will also have a great range of speakers, plenty of discussion time and of course the all important evening social events!

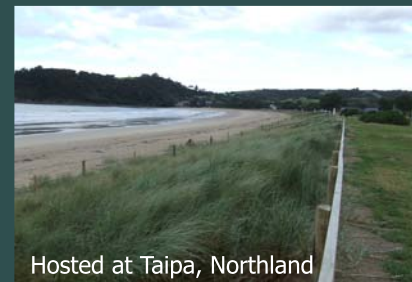

Transport will be supplied from both Whangarei and Kerikeri airports to and from the venue. There is a range of accommodation styles available for all budgets and all meals will be provided as part of the full conference package.

Registrations open 25th November and include full conference and one day options. Full program, registration forms and conference information are available at www.dunestrust.org.nz or contact info@dunestrust.org.nz.
