

# Nature In My Neighbourhood

*Discover how you can work with your neighbours to look after local streams and gardens. Whether working as part of a community project or planning something new, the 'Nature In My Neighbourhood' programme is a great way to learn from the experts and develop new hands-on skills.*

**Saturday 13 March - Looking to the future.**

**Saturday 20 March - Stepping into the shoes of the environment.**

**Time:** 9.30 am -12.30 pm.

**Venue:** Rutherford College and site visits.

**Cost:** Only \$10 a session or \$15 for two.

**To enrol:**
