

Nature in your Neighbourhood

Have fun finding out about Waitakere urban streams and the native plants and animals in your garden

The course will also help you to develop your property. Register for one workshop or for the series. Waitakere residents completing all 8 sessions will be given native plants.

Part 1 - Nature in your neighbourhood: How it works

Session 1A: Wednesday 22 August 07 6.00pm - 8.30 pm Rutherford College
Session 1B: Saturday 25 August 07 9.00am -12.30 pm (Meet at Rutherford College)
